News

Stuart NAACP Office still Closed - Please use the phone number and email above for contact.

Please get vaccinated as soon as possible. The **WARNINGS** are severe- the Delta Variant is more dangerous, spreads easier, and is causing rapidly rising numbers throughout the country. It could shut us down again and it's deadly. **Vaccinate!**

The Martin Metropolitan Planning Organization is inviting you to join its committee to help find ways to "Eliminate traffic-related fatalities and serious injuries in Martin County." Please see the attached flyer for details and watch the video.
